Team Manager or Team Administrator “How to Sign In”

There are mandatory requirements that as a SCML Team Manager require you to sign into the FA Full-Time website that the SCML use to report all your results and fixtures. For example entering a Referees mark no later than three days after the match. (both Home and Away Manage must do this.)

The Full-Time (FT) site is easily accessed from the main SCML site. To go to the SCML site please click on the URL below.

<http://www.scmlfootball.org/>

This will take you to the main page of the SCML website. From the division tab (shown below) select the day on which your team plays and the division. And click to enter.

You will arrive at a pre screen that advertises a forth-coming event that the FA is promoting. Click the “Continue to your league” as shown below.

You will arrive at the main Full-Time public screen that shows all the details of your division, once the season has started. As at team Manager or Team Administer click on the “Sign In” to take you to the Sign In page
